På sporet af et spejderbal... Endnu en fantastisk dag på VJ2011 blev afsluttet med et alle tiders spejderbal med grillmad og underholdning i de smukke omgivelser ved Tolne Skovpavillion. Sikke en aften!

Vi var faret vild

Spejdere fra Sainte Catharine Sanem, Luxembourg, fortæller, at de begejstret gik igennem skoven for at finde ud af, at de var faret vild. Heldigvis stødte de på en anden gruppe, og sammen lykkedes det at finde vej tværs over en mark. Det er internationalt samarbejde!

Kanotur

11th Torbay nød onsdag at være på kanotur fra Mosbjerg til Uggerby. "Det var en udfordrende tur, hvor der skulle samarbejdes for ikke at styre ind i bredden, hvor der var fugle og mange hjørner. Alt i alt en fornøjelse", fortæller Joi Ragnani og Max Brewer.

The end

Så er det slut for Mosbjerg Times. Efter tre udgaver er det farvel og tak til vores trofaste læsere, som ivrigt har læst og bidraget til vores avis. Tak!

Arne Boelt, Hjørrings borgmester:

" jeg vil huske VJ2011 for samværet på kryds og tværs af nationaliteter"

Har du set VJ2011 på TV2Nord?

Måske har du allerede set os på TV2Nord eller i Parasollen på samme kanal.

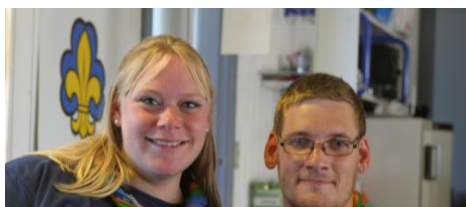

Hvis ikke, så tjek www.tv2nord.dk og find nyhederne fra søndag 24/7 og Parasollen fra 29/7. Seværdigt tv!

Til lykke! For Gemma Humphreys fra 11th Torbay var hendes 19 års fødselsdag noget specielt. Den blev nemlig fejret til Spejderbal. Hvad er egentlig bedre end så at få en hjemmelavet lagkage af ens spejderleder?

Glade vindere af geo-caching – sådan ser tre glade vindere, Jens Martinsen, Anne Hyttel og Martin Bonderup, ud. Det blev til over 30 km fra Lindholm til Egholm i svært terræn og på vej og sti.

Tak for en fantastisk jamborette – kom godt hjem. Håber vi ses igen!

Looking for a scout party...Another fantastic day at the VJ2011 was finished with a terrific scout party including a barbeque and entertainment in the beautiful surroundings at Tolne Skovpavillion. What an evening!

We were lost

Scouts of Sainte Catherine Sanem, Luxembourg, tell they were having fun on their hike just to find out they were lost. Fortunately, they met another group and together they managed to find the path when crossing a field. This is real international cooperation!

Canoeing

11th Torbay enjoyed Wednesday a canoe trip from Mosbjerg to Uggerby. "It was a challenge, and we had to work together not to steer into the bank with birds and cornes", Joi Ragwani and Max Brewer told.
